

FRONT TOWBAR APPLICATION & PRICE LIST

The pin is 12mm HT grade 8.8 with a shear at 9.05 tonnes
 Please check before use

Front Push-Towbars are designed to help the manoeuvring of trailers and caravans into or out of tight spaces without the difficulties of reversing. **PLEASE SEE OUR WEBSITE FOR A SHORT DEMONSTRATION VIDEO www.watling-towbars.co.uk/front_towbars.html**
 Most designs have a detachable (DT) section to provide a neat appearance. The detachable system is a simple drop nosed pin retaining a pullout square tube. The tow ball is offset to the left side of the vehicle to allow the driver a clear view down the side of the trailer. As a special order option most designs can have an additional centre receiver position (unless otherwise stated *) for those with very tight gateways.
PLEASE NOTE: MANY BULL BARS ARE NOT COMPATIBLE WITH FRONT TOWBARS

ADVANTAGES:

- * **Detachable:** The front part of the Push-Bar is easily removed so that the front of your vehicle is kept neat and tidy.
- * **Neat:** The main part of the Push-Bar is normally hidden.
- * **Look See:** No more neck craning (or mind numbing) problems of which way to steer to miss that tree!
- * **Manoeuvre:** Into tight corners with ease - its all in front of you.
- * **Power:** Use the power of your vehicle, not your back, to move your caravan, powerboat, horsebox, on grass, gravel or uphill.
- * **Control:** Position double axle caravans with ease.
- * **Special Designs:** For vehicles not on our standard list we can usually design and manufacture a 'one off' on your vehicle.
- * **Easy to Use:** Quick to fit - simply remove the plastic bung, insert the detachable section, and secure with the Pin & R clip

Key: **B cut** = Bumper Cut **(i)** = invisible cut in the bumper **(v)** = visible cut in the bumper **(g)** = cut in the grill
(d) = drill the bumper **(s)** cut in the sump shield
 * = centre receiver option not available Load kg = max trailer weight / nose weight

Part numbers with a DT suffix have a detachable section to provide a neat appearance

TYPE APPROVAL EC/94/20; The regulations DO NOT APPLY to:-

Front Towbars, Commercial Vehicles, Motorhomes, Cars not (e) marked, Special Imports (SVA) and ALL vehicles registered before 1st. August 1998 **Please add VAT to prices on this list**
